BODY THERAPIES

Detoxify

Seaweed Body Wrap – Choose either a detoxifying or re-mineralizing treatment that hydrates, energizes, and releases fluids for an over-all slimming effect.

1 hr. Full Body \$75-\$150 Localized \$50-\$65

Thermal Fat Burner

Slimming treatment that diminishes fluid retention, tones, and tightens the skin and entire body including the back, arms, and midriff.

1.5 hrs. Full Body - \$90 Localized \$50-\$60

Marine Pumice

Granulated pumice and marine essences are used to provide a moderate all around exfoliation followed by the application of algae-based products that nourish and renew the skin.

1 hr \$100

Sea Salt Renewal

Natural sea salts blended with your choice of essential oils are soaked into the skin to stimulate circulation, while softening and exfoliating dry skin.

1 hr. \$100-\$130

Enzymatic peel

Soft and radiant skin from head to toe. Improved circulation and well-being are the results of this fruit and plant enzyme peel.

1 hr. \$100

Sea Polish

A nutrient-rich algae crème with extra fine grains is applied to entire body. This treatment gently polishes away at dull, dry skin and leaves the skin well hydrated.

1 hr. \$100

Healing Massage

Focuses on the neck and back to release toxins and stress. Improves circulation while revitalizing your skin and muscles.

1 hr Full Body \$90
